PROCLAMATION 2022-23 EMERGENCY MEDICAL SERVICES WEEK

WHEREAS, during Emergency Medical Services Week, May 15th-21st, we pay tribute to our Emergency Medical Services (EMS) providers, whose selfless dedication and extraordinary efforts help save countless lives each day; and

WHEREAS, as the first link to emergency medical care, EMS personnel are a critical component of our healthcare system. Day or night, faithful EMS first responders — many of whom are volunteers — intensively prepare for and stand at the ready to help their fellow residents through chaotic and distressing situations; and

WHEREAS, first responders also continue to be at the forefront of dealing with the terrible effects of the opioid crisis, routinely responding to situations where someone has fallen victim to an opioid overdose; and

WHEREAS, in every circumstance, and in crises where every second counts, EMS providers demonstrate courage and devotion to saving lives. They protect the health and safety of others with unmatched skill and extraordinary resolve; and

NOW THEREFORE, BE IT RESOLVED, this month, and always, we the Commissioners of Susquehanna County, express our endless gratitude and respect to the fine men and women of our county's EMS agencies for their continued commitment to excellence in emergency care.
