**RESOLUTION 2021-06**

**COUNTY OF SUSQUEHANNA  
MINORITY BUSINESS ENTERPRISE PLAN  
AND  
STATEMENT OF GOALS**

It is the public policy of the County of Susquehanna to promote the opportunity for full participation by socially and economically disadvantaged persons in all housing and community development programs receiving funds from the Pennsylvania Department of Community and Economic Development. This policy provides the opportunity for full participation in our free enterprise systems/program by socially and economically disadvantaged persons to obtain social and economic justice. Susquehanna County has established minimum participation levels at 5% of Minority Business Enterprise (MBE) and 3% for Women Business Enterprise (WBE).

In support of the Minority Business Enterprise program and this plan, the county will solicit MBE firms for inclusion on the CDBG bidding list at the beginning of each newly funded Community Development Block Grant program year. The methodology to accomplish this (inclusion of MBE firms on list) will be by public notice, meetings, and forums in order to reach those persons affected and involved in minority owned enterprises in the Northeastern Pennsylvania Region.
