

# **ICS-400: Incident Command System for Command and General Staff and Complex Incident**

## **REQUIRED TRAINING FOR ALL RESPONDERS IN COMMAND POSITIONS**

16 Hours Lecture-7.5hrs / Lab-8.5hrs Prerequisites: ICS-300

This course is designed to provide overall incident management skills rather than tactical expertise. This course will discuss how major incidents pose special management challenges. It will explore the circumstances in which an Area Command is established and describes the circumstances in which multi-agency coordination systems are established. This course is designed for senior personnel who are expected to perform in a management capacity in an Area Command or multi-agency coordination system.
